

Legacy Co-op \$80,000 Commitment

(May 18, 2021)— Legacy Co-op commits to \$80,000 investment to Yorkton & District Community Foundation.

Legacy Co-op, in celebration of their 80 years in business has made a commitment of \$80,000 over 8 years to the Yorkton & District Community Foundation.

“This donation will help the Foundation fund many activities now and into the future, and we felt that a larger commitment will only grow the foundation into the future”, said Gene Krepakevich, Vice-President of Legacy Co-op.

“I’m proud to say we are a local business and we are committed to investing in local groups and organizations that will benefit all our members that live, work and play where we do” continued Krepakevich.

Legacy Co-op donated \$10,000 in 2020 to the Foundation and was a major contributor to the “masks for seniors” initiative last year.

The Yorkton & District Community Foundation works with charities in our communities to identify local needs and to advocate for social change, works with donors who wish to make meaningful and lasting contributions to the well-being of their community, and supports charitable organizations that provide programs and services to our communities.
